

Kids 4 Drama Classes

Drama is a wonderful way for children to learn how to communicate clearly, to work well with others, and to unlock their unique creative gifts and abilities. In Kids 4 Drama classes, we create a safe and encouraging environment for young people to explore the world and themselves through drama, with unique lessons packed with fun games, challenging exercises and exciting performance opportunities. Our students also have the chance to audition for Productions and Theatre in Education touring shows throughout the year, and are given opportunities to attend holiday and weekend workshops, talent quests and other events. Call us to enrol or to discuss what class would suit your child best. **CALL 6272274 or www.kids4drama.co.nz, email admin@kids4drama.co.nz**
