

Kids 4 Drama Productions

Part of our goal as a drama education programme is to provide students with regular opportunities to put their acting skills into practice. Each year we offer a major production of either a play or a musical, as well as community events, holiday workshops and in-class performances. There are also showcases throughout the year for specific courses, such as Musical Theatre, which are open to all Kids 4 Drama students & families to attend.

Our 2011 Production takes place in the July School holidays, with rehearsals starting early in Term 2. Rehearsals and performances will be held at the Newtown Community Centre. All students are welcome to take part, and auditions will be held to cast roles in May.

For further details on what's happening in your area, chat to your class tutor or watch out for our regular newsletters throughout the year, as well as on our website & Facebook pages.

K4D ACTORS DATABASE

This is for our students who are interested in auditioning for work in the Film & TV industry. Kids 4 Drama works alongside Red Rocket Actors & Talent Agency, which means we can assist in connecting you with casting directors and production companies and community groups who are looking for young performers.

To be contacted regarding auditions, students need to join our Actors Database. They can do this by filling out a downloadable form from our website. We also offer regular Screen Audition Workshops throughout the year so our students can approach screen auditions with the necessary skills & confidence. This database is only open for current Kids 4 Drama students and is not accessible online by any third parties. For other matters concerning privacy and the industry process please contact us.

ONE-ON-ONE COACHING

Do you have a big audition coming up? Need help with your accent, school speech or presentation? Private & small group coaching available by Kids 4 Drama tutors at reasonable rates.
